

WHAT WE ASPIRE TO BE

OUR VISION

To nurture a generation that links itself to the Islamic heritage of our predecessors

WHO WE ARE, WHAT WE DO

OUR MISSION

Identify and fill the missing link between this generation and the Golden Era of Islam, so we can develop a strong Islamic identity in today's modern world.

WE'RE WORKING TOWARDS

OUR SOLUTION

A Community Initiative which restores that link;
LINCS PROJECT

OUR OBJECTIVES

Fulfil Our Communal Role

Abu Hurairah (May Allah be pleased with him) reported: I heard the Messenger of Allah (ﷺ) saying, "People are like gold and silver; those who were the best in Jahiliyyah (Pre-Islamic Period of Ignorance) are the best in Islam, as long as they have religious understanding; and the souls are like collected troops, they mix with those who are similar to them in qualities and drift away from those who do not share their qualities". (Muslim)

Improving the average Muslim's life

Spiritually, Mentally and Physically

"The Prophet (ﷺ) said: The stronger believer is better and more beloved to Allah than the weak believer, although both are good. Strive to seek that which will benefit you and do not feel helpless. If something overwhelms you, then say: Qaddarallah, wa ma sha'a fa'al (It is the decree of Allah and what He wills He does). And beware of (saying) 'If only,' for 'If only' opens the door to Satan."

Community improvement

Allah Says: He brought their hearts together. Had you spent all the riches in the earth, you could not have united their hearts. But Allah has united them. Indeed, He is exalted in might and wise. (Anfal)

OUR VALUES

A Strong identity

In the context of a modern world facing various trials and "isms", a strong identity will help develop a greater sense of purpose. Boosting self confidence, providing a sense of belonging and in turn deepening ones understanding of faith, striving to be better Muslims and humans.

Spirituality

The Prophet Muhammad (ﷺ) emphasized the importance of purifying the heart stating: "Verily, there is a piece of flesh in the body, if it is sound, the whole body is sound, and if it is corrupt, the whole body is corrupt. Verily, it is the heart."

At LINC'S we nurture this spirituality, fostering a deeper connection to faith, enhancing our moral character and inspiring transformation through education.

Proactiveness

Proactiveness is emphasized in the Hadith of Abu Hurairah (may Allah be pleased with him), that the Messenger of Allah (ﷺ) said: "Be prompt in doing good deeds (before you are overtaken) by turbulence which would be like parts of the dark night. A man would be a believer in the morning and turn to disbelief in the evening... and he will sell his Faith for worldly goods."

Fitness

The Prophet Muhammad (ﷺ) emphasized the importance of physical fitness: "The stronger believer is better and more beloved to Allah than the weak believer, although both are good."

Thus at LINC'S by following this prophetic teaching we can lead healthier lives, increase our productivity, and positively influence others.
